

UMD Electric Vehicle Charging Rates–Beginning Spring 2024	
Charging Rate*	\$0.20/kwh
Idle fee**	15-min grace; \$0.40/min

**Cost of parking is not included. Non-permit holders should use pay stations, meters or Parkmobile for parking.*

***Idle fee is applied to discourage hogging and support availability of the amenity to the wider population of drivers. Once a charge session has ended, drivers are allotted a 15-min grace period before the \$0.40/min idle fee is charged to your card.*

Avoid extra costs by tracking your vehicle’s charge levels in your vehicle’s app or in the [Blink Charging App](#).

Payment options:

- [Blink Charging App](#)
- At the Stations via Credit/Debit Card, Apple Pay, or Google Wallet

Download the [Blink Charging App](#):

- View charging rates
- View Station availability
- Receive communications regarding your charge time
